A PUBLICITY COMMUNIQUE FOR IMMEDIATE RELEASE

Habitat for Humanity® welcomes Canada's team to build in Burlington County

Cinnaminson, NJ--

The return of the American Olympic teams has created celebration nationwide, while the return of students from Villanova College has generated local anticipation and excitement in Burlington County.

Teens from the Independent Catholic Augustinian School in Ontario, Canada have traveled to Burlington County for the past three years to support the Habitat for Humanity affordable housing program. Building alongside the construction staff and volunteers has given the students an opportunity to experience teamwork in a unique environment. "I have been working with the teens from Canada since 2007," says Executive Director, Todd Ermer. "I look forward to their yearly visit; they've always been eager and enthusiastic about building with us."

St. Stephen's Episcopal Church of Beverly, NJ will provide the group of dedicated builders with lodging for the duration of their stay.

For more information about how you can become involved with Habitat for Humanity Burlington County and the affordable housing program, visit www.habitatbcnj.org.

Habitat for Humanity is an ecumenical Christian organization whose mission is to eliminate poverty housing and make decent shelter obtainable for all. Habitat promotes homeownership by building and reconstructing houses with volunteers and families eligible for assistance.
